Abstract of Proposed Collection

The Smart Traveler Enrollment Program (STEP) makes it possible for U.S. nationals to register on-line from anywhere in the world. In the event of a family emergency, natural disaster or international crisis, U.S. embassies and consulates rely on this registration information to provide registrants with critical information and assistance. 22 U.S.C. 2715 is one of the main legal authorities for use of this form.

Methodology

99% of responses are received via electronic submission on the Internet. The service is available on the Department of State, Bureau of Consular Affairs web site <http://travel.state.gov> at <https://step.state.gov/step/>. The paper version of the collection permits respondents who do not have Internet access to provide the information to the U.S. embassy or consulate by fax, mail or in person.

Michelle Bernier-Toth,

Managing Director.
